## The Filene store is never further away than the nearest mail box

This is the Filene store in Boston—probably the largest store in America devoted to the personal outfitting of women, children and men. This store has many unique features and is one of the sights of the city.

FILENE MAIL SERVICE is a real service.

We make it as easy as possible for those living out of Boston to take advantage of the superior stocks and values offered by this great group of specialty shops. Orders received by mail get the most careful attention. Each order is filled by a person thoroughly familiar with the class of merchandise ordered and therefore best qualified to interpret the requirements of the customer.

We do not send you a 100-page catalog because it is impossible to adequately catalog our rapidly changing stocks.

Obviously a large catalog takes time to prepare, during which time the styles shown in the catalog are growing old and passe, and who wants old styles?

Yet some definite information is necessary to enable one to order intelligently by mail—and so

To supply this information, we have prepared three books shown below:

WRITE NOW FOR THESE BOOKS

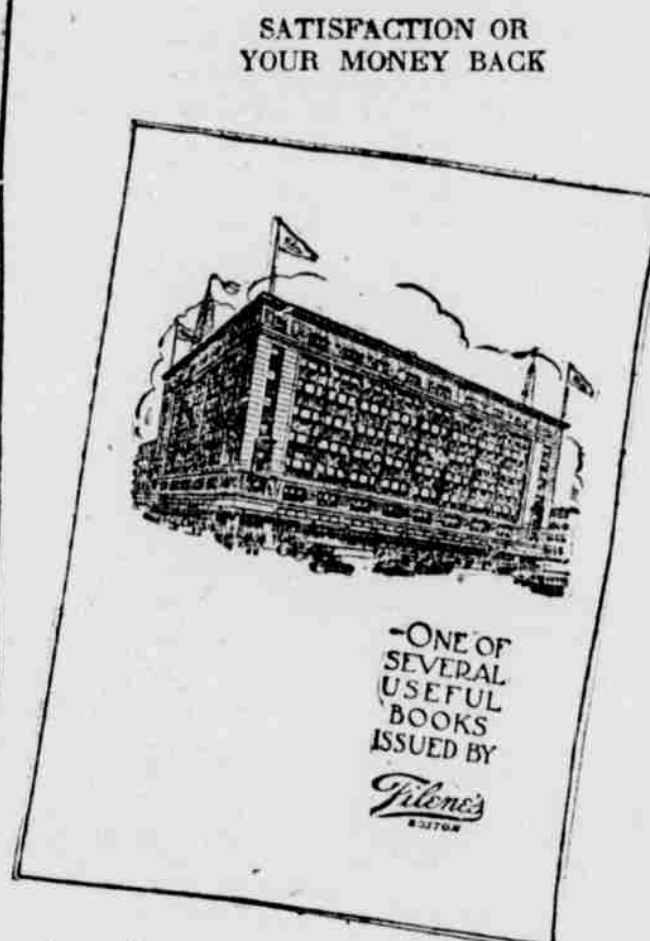

BOOK A covers the many Filene Juvenile Shops, showing clothes for boys and girls from infancy up to and including 14 years of age. Every mother will be interested in the many pretty and uncommon styles shown by the famous Filene Baby Shops. Orders for merchandise shown in this book will be filled up to March 1.

ALL GOODS DELIVERED FREE

BOOK B is a Style Book showing some of the new models in suits, coats, dresses, waists and hats for women and young women over 14 years of age. Styles in these garments change so frequently that we cannot promise to fill orders from this book after November 1. Other Style Books, showing new styles, will be issued from time to time.

BOOK C contains pictures and descriptions of some of our more staple merchandise, such as gloves, hosiery and knit underwear for men and women, aprons, house dresses, petticoats, corsets and brassieres, toilet goods, maids' and nurses' uniforms. We will undertake to fill all orders received for merchandise shown in this book during the next six months.

ANY OR ALL of these three Filene books will be sent you gladly, FREE OF CHARGE, upon your request. Please say which ones you want. Merchandise ordered from them will be delivered free of charge and satisfaction guaranteed or your money returned.

### WAITSFIELD

Donor of Public Library Died Oct. 4 in Omaha, Neb.

The community is saddened by the news of the death of George A. Joslyn, who spent his boyhood days in Waitsfield, and who donated the Joslyn Memorial library in honor of his grandfather.

George A. Joslyn died Wednesday, Oct. 4, at 12:40 p. m., at his home in Omaha, Neb., at the age of 68, being born June 30, 1848, in Lowell, Mass., the eldest son of Alfred and Esther Ann (Rice) Joslyn. In early boyhood his parents returned to Waitsfield and he spent his boyhood and early manhood in town and since his removal has always been deeply attached to this town. He was a most kind-hearted and unassuming man and though rated as a multimillionaire and richest man in Nebraska, he was also known as a benefactor and philanthropist. He was married to Sarah Hannah, daughter of James and Callista (Joslin) Sellock, Sept. 24, 1874. Mr. Joslyn's business career reads like a fairy tale. At 15 he went to Canada, selling news on trains, candy and popcorn at fairs. Upon going to Des Moines he was bookkeeper for the Iowa Printing Co. and he did everything from janitor service to managing the business. In 1880 he went to Omaha, where he established a house now known as the Western Newspaper Union. At the time of his death he was rated as worth from \$8,000,000 to \$10,000,000. He owned 31 residences in the United States and his home in Omaha was one of the show places of the state. Mr. Joslyn had been in failing health for some time and last March he suffered a stroke of paralysis.

He is survived by his wife; his daughter, Mrs. D. W. Magowan of Omaha; one sister, Mrs. Jennie A. Spence of Omaha, and two brothers, C. Joslyn of Montreal, Canada, and Fred A. Joslyn of Northfield.

In 1913 he presented his boyhood home a \$30,000 library in memory of his grandfather, Joseph Joslyn, who settled in Waitsfield in 1798.

Mrs. Myron Davis of Moretown is a guest of her daughter, Mrs. J. C. Kingsbury.
